

# Bat Fact Families

## Instructions:

1. Each section of the bat's wings shows three numbers. Use these numbers to complete the math equations in that section.
2. Once all equations are complete, compare your work to the answer key to make sure everything is correct.
3. Make your bat spooky and fun! Cut out the bat, then color it in any way you like. Hang it up to decorate for Halloween!

$$\begin{array}{r} 4, 6, 10 \\ 4 + \_ = 10 \\ 6 + \_ = 10 \\ 10 - \_ = 4 \\ \_ - \_ = 6 \end{array}$$

$$\begin{array}{r} 2, 5, 7 \\ 2 + \_ = 7 \\ 5 + \_ = 7 \\ 7 - \_ = 2 \\ \_ - \_ = 5 \end{array}$$

$$\begin{array}{r} 3, 4, 7 \\ 3 + \_ = 7 \\ 4 + \_ = 7 \\ 7 - \_ = 3 \\ \_ - \_ = 4 \end{array}$$

$$\begin{array}{r} 2, 4, 8 \\ 2 \times \_ = 8 \\ 4 \times \_ = \_ \\ 8 \div \_ = 4 \\ \_ \div \_ = 2 \end{array}$$

$$\begin{array}{r} 3, 5, 15 \\ 3 \times \_ = 15 \\ 5 \times \_ = \_ \\ 15 \div \_ = 3 \\ \_ \div \_ = 5 \end{array}$$

$$\begin{array}{r} 4, 5, 20 \\ 4 \times \_ = 20 \\ 5 \times \_ = \_ \\ 20 \div \_ = 5 \\ \_ \div \_ = 4 \end{array}$$
